

08-09 Fall Internet Startup Information

If your class is on the Angel platform and this is the first time you are logging on then your password is 'Start' with a capital 'S'.

Since we are going through a internet platform change, at our college, some of the websites are not available at this time. Please check back frequently to see if your class's website is ready to go.

If you are taking an internet course please make sure you have an email address on file. If you don't have an email address on file the instructor will be unable to contact you.
